Introductory Comments:

On the evening of June 24, 2005, I attempted to fax applicant's response to the USPTO general fax number 703-872-9306 beginning at approximately 10:35 PM [Central Daylight Time]. After six attempts, on the seventh attempt I was able to get USPTO confirmation of the receipt of the 27 pages. This occurred at 6/25/2005 12:35:52 AM [Eastern Daylight Time]. However, in Lebanon, Tennessee, I am on Central Daylight Time. Therefore, the facsimile transmission was completed at 6/24/2005 11:35:52 PM in Lebanon, Tennessee, the location of the transmission. The PTO/SB/97 form was used as a cover page and the Certificate of Transmission on that form was signed and dated 24 June 2005 and listed the documents and number of pages being transmitted. The PTO/SB/21 Transmittal Form was also transmitted, signed and dated 24 June 2005 and listed the documents and number of pages being transmitted. In addition, the last page of the response contained a type Certificate of Facsimile Transmission that was signed and dated 24 June 2005.
